Chairman of the Board
Public organization "Ukrainian
Center for Medical and Social
Coordination"
Anatoly Babenko

Dear Mr. Anatoly!

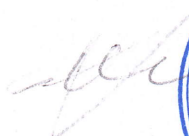

The health care institution Interregional Specialized Medical and Diagnostic Center, which is the executor of the charitable medical program for the establishment of the Physical Rehabilitation Center, has prepared proposals for equipping the center with the necessary medical equipment.

We draw your attention to the fact that individual items of equipment are indicated taking into account the requirements of mandatory certification of medical equipment on the territory of Ukraine.

We ask for assistance in supplying the medical equipment specified in the attachment to this letter.

Appendix: list of equipment.

Director

  O. Korytseva
